Mark a start - getting your own organisation on board

The scenarios that you have worked through covered many areas and suggested many ideas. But how can you translate some of these ideas into practical action in your own organisation ?

Instead of taking the form of a scenario, this section provides a tool – a downloadable document – for you to develop an plan for your organisation. It will help you think about what you can do immediately – how you can make a start.

[Click here to download the document.](#)

For the information and interactions that the user sees on clicking this link, please refer to the associated word file 4.7 Make a start.
